February 2022

EXTRAORDINARY PEOPLE, EXTRAORDINARY NEWS

Uh oh... our secret's starting to seep out that next month we're cooking up a very mysterious, yet "Fantastical" event for all of our Hemet villagers!

This affair isn't just your typical get together, and we promise that it will offer you a very "prudent match" of all the flavors you've been craving. So when we say fun, it means you will leave us with all your taste buds awakened.

Look to next month's society papers edition when we will finally unmask this scandalously delicious celebration!

EMPLOYEE OF THE MONTH MARIELLE F.

Marielle joined us in 2019 as a caregiver. Her hard work and dedication helped her attain her current role as the Lead Medtech. She always comes to work with a smile, and brings in such a positive vibe to the rest of our care team. Marielle is extremely responsible in attending to our residents. She has also done an incredible job pulling shifts together for adequate coverage to care for our residents when that didn't seem possible.
