## Resident Spotlight

# MEET JOSE RUIZ

Jose was born on April 9, 1939, in Guadalajara, Mexico. He grew up with four sisters and one brother. In his younger years, Jose was a devoted single father who lovingly raised his four children on his own—three daughters, Sandy, Liz, and Nydia, and one son, Rey. Today, his family has grown to include one grandchild and twelve great-grandchildren.

Jose loves being outdoors, and gardening has always been his favorite pastime, especially tending to his rose bushes. In his spare time, he most enjoys being with his family. When asked how he's doing, Jose often replies with his trademark phrase, "Por andar," meaning he's out and about and enjoying life as it comes.
