Spotlight:
EDNA VANOY**

This month, we are excited to spotlight Edna! Born on September 19, 1948, in Kansas City, Edna brings joy and energy wherever she goes. She loves spending time with the care staff and fellow residents at Yorkshire Village and is affectionately known as our very own "Dancing Queen."

Music is one of Edna's greatest passions, especially hits from the 80s and 90s, which always lift her spirits and get her moving. When she's not dancing, Edna enjoys soaking up the sunshine, picking flowers, and taking leisurely strolls in her wheelchair to enjoy the fresh air. Her favorite saying perfectly reflects her vibrant outlook on life: "Life is too short not to go out and have fun!"
