# MEET THERESE LAWSON

Therese was born on September 14, 1963, in Pacoima, California. She is the proud mother of two children, Amanda and Robbie, who remain at the center of her world.

In her early years, Therese worked in transportation, a role she truly cared about and dedicated herself to wholeheartedly. These days, she enjoys spending time outdoors on sunny days, taking long strolls and soaking up the warmth. She also loves expressing her creativity through painting and arts and crafts, and you'll often find her happily working on a word search.

When asked about her outlook on life, Therese often says, "Life is too short not to smile."
