## Resident Spotlight

*Therese Lawson*

Since joining Yorkshire Village in February 2023, Therese has brought so much joy and warmth to our community. She was born on September 14, 1963, in Pacoima, California, to Albert and Beverly, and grew up in a lively household with five siblings.

Therese is a proud mom to two children, Amanda and Robbie, and a loving grandmother to three wonderful grandkids. She loves staying active and can always be found joining in on the daily activities here at Yorkshire!

## Employee of the Month

*Aileen Padilla*

Aileen has been part of the Yorkshire Village family for the past two years, brightening our community as a MedTech and caregiver. She grew up in Garden Grove, California, and is a proud mom to two sons, Mason and Sebastian.

She studied Medical Administration at Platt College and dreams of returning to school one day to become a Registered Nurse. Aileen loves spending time with her family and finds joy in making our residents laugh. Her favorite saying is: "Don't sit down and wait for opportunities to come. Get up and make them."
