## Lady Thistledown's SOCIETY PAPERS

October 2022

EXTRAORDINARY PEOPLE, EXTRAORDINARY NEWS

*Gentle readers,*

While my term as your society reporter is monthly, a more worthy term was carried by our lovely resident of the month, Nenita. After nine months of carrying the precious cargo, she delivered her only child and named her after her favorite actress (and Alfred Hitchcock's, too!), Hollywood Royal and Oscar-winning film icon Grace Kelly, who later left Tinseltown and became the real-life Princess Grace of Monaco.

And speaking of carrying valuable cargo, an ex-Air Force resident of ours worked on one the world's most famous freight airplanes, the rugged and reliable C-141 Starlifter during the 1960s.

**EMPLOYEE OF THE MONTH**  
**JAVLENA N. Caretaker**

Javlena always puts her residents' needs first and is a wonderful representation of what a Yorkshire Village caregiver should be. She is not only a star caregiver but truly shows what it means to be a team player and put people first. Javlena tells us her job is rewarding in and of itself... she loves working at a place where she can make a difference in peoples' lives. We are extremely grateful to have Javlena making that positive difference in our lives!

# FAREWELL TO THE QUEEN

QUEEN ELIZABETH II  
(1926 TO 2022)

After living a long and very consequential life, Queen Elizabeth II passed away at the age of 96. Having pledged that her “whole life, whether it be long or short, shall be devoted to your service and the service of our great imperial family to which we all belong.” Elizabeth Windsor was sometimes referred to as the “Servant Queen.” Across the globe, the world pays tribute to this incredible woman, reflecting on the historic sweep of her reign, as she presided over Britain’s colonial empire and eventually, embraced the independence of England’s former dominions.

In London at Westminster Hall, a mile’s long throng of thousands queued up to offer their deep respect and to see their beloved Queen for one final time. The Queen was buried at St. George’s Chapel at Windsor Castle alongside her beloved husband, Prince Phillip, and her father, King George VI, and her mother, Queen Elizabeth The Queen Mother, and her younger sister, Princess Margaret.

Synonymous with Britain itself, and its longest-reigning monarch (seven decades!), we will all miss this unassuming and hardworking Queen. As we mourn, our grief may also likely be colored by the notion that Queen Elizabeth also represents the passage of time in our own lives.

## PUPPETEER VISIT WAS ENJOYED BY ALL!

# Poet of the Month MAYA ANGELOU (1928 - 2014) SATURDAY, 10/01 10:00 AM

Considered one of the most consequential figures of the 20th century, Maya Angelou was a singer, dancer, journalist, civil-rights activities, a writer, poet and screenwriter. One of her most famous poems was probably “On the Pulse of Morning” which she recited at President Bill Clinton’s inauguration. She was the first African American poet and first female poet to participate in a recitation for a U.S. president’s inauguration.

## Land of the Midnight Sun DISCOVER ALASKA!

TUESDAY, OCTOBER 18 AT 11:00 AM

Discover a land where the sun never seems to set. From April 22 to August 20, you can wake up in the middle of the night to find the sun shining brightly, with people outside as if it were the middle of the day. Then from mid-to-late November until late January, there are areas of Alaska that are almost in constant darkness. These extremes of sunlight and darkness are due to Alaska’s location on the globe. Alaska can be a strange a mysterious place to live for some, but there is no question it is also considered one of the most beautiful places on earth.

## History of the Blood Moon

### HUNTER’S MOON

SUNDAY, 10/09 AT 2:00 PM

The Hunter’s Moon will reach its peak illumination at the time of our discussion! We will probably have to wait for sunset to watch as it takes its magnificent position in the sky. The October moon is also called a “Blood Moon” and is referred to this due to its timing with the hunting season. This blood moon is not, however, a total lunar eclipse, which is how a lunar eclipse is also described.

# Mad Hatter Tea Party

**CELEBRATING A DAY OF SILLINESS!**

Thursday, October 6 at 10:30 am

*“Yes, that’s it! It’s always tea time.”*  
~ Mad Hatter, *Alice in Wonderland*

Celebrate Mad Hatter Day with us on October 6 at 10:30 am as we are throwing a crazy Tea Party like only the Mad Hatter could host! So it’s time to donne on your silliest, funkiest hat (perhaps one you’ve made last month at our Mad Hatter Crafting event?) and tell riddles, make funny faces and do other crazy stuff that would make Lewis Carroll (the author of *Alice in Wonderland*) proud!

We will discuss some interesting facts about this super villain character from Alice in Wonderland. The history of this day dates back to 1986 when a group of computer programmers decided to celebrate a day of silliness by wearing top hats inspired by the illustrations of the Mad Hatter from the book *Alice in Wonderland*.

Later that day at 3:00 pm, we’ll be featuring the 2010 Alice in Wonderland film starring Johnny Depp as the Mad Hatter.

# Pumpkin Patch PICNIC

Friday, October 21 at 10:00 am

No matter your age, some of our fondest memories happened at the Pumpkin Patch! Many of us have wonderful memories of visiting a farm strewn with pumpkins along with our family or our school friends. There, we’d get to pick out the perfect jack-o-lantern pumpkin for Halloween. Sometimes we even got to go on a hay ride, sip cider, and pet the farm animals that were usually present. Join us as we make some wonderful Fall memories that can only be captured at the Pumpkin Patch! Afterwards, enjoy a hearty picnic lunch after you’ve enjoyed a fun morning walking through the pumpkins!

## NOTHING SAYS FALL LIKE

# Caramel Apples

**Tuesday, 10/11 at 3:00 pm**  
Chomp into its buttery soft and chewy caramel accented by a perfectly tart crunchy apple. Invented by a Kraft Foods employee Dan Walker, the caramel apple recipe was discovered in the 1950s when he was experimenting with excess caramels left over from Halloween sales. He dipped the apples in and the rest is history!
