

YORKSHIRE VILLAGE

A watercolor-style illustration of a woman from behind, walking away on a light-colored path. She has long, wavy blonde hair and is wearing a brown, textured vest over a white long-sleeved shirt with rolled-up cuffs. She is also wearing white leggings and dark brown knee-high boots. In her right arm, she carries a woven basket filled with red apples. In her left hand, she holds a single red apple. The background is a soft, hazy landscape with green foliage and a hint of a path leading into the distance.

Resident Spotlight

Irene Blizzard

Irene was born and raised in Los Angeles, California. She later moved to Montebello, where she completed her schooling and became a librarian. Irene enjoys taking long walks, listening to soft music, and reading. While at Yorkshire, she especially enjoys arts and crafts and dancing with her fellow residents.

Irene is a proud mother of three children, Russell, Julie, and Katherine. Her son Russell is one of her guardian angels. Irene has been a true delight to have as part of our community, and we are so happy to have her with us!

Employee of the Month

Emily Blanchard

Emily has been part of the Yorkshire Village family for two years. She has taken on many roles, including caregiving, activities, transportation, and med tech. One of her favorite things is driving residents around while listening to rock music along the way!

Emily lives in the Hemet area with her significant other and her cat, Hawaii. In her free time, she enjoys art, music, and dancing. We are so grateful to have Emily as part of the Yorkshire Village family!
